UNCLE JACK HORNSBY CELE- BRATES HIS 80th BIRTHDAY.

On last Sunday Uncle Jack Hornsby, of Beat 12, celebrated his 80th birthday by having his usual family reunion. Several hundred friends and relatives were present and they were served a most wonderful barbecue dinner. After dinner, a few short speeches were made, among which were interesting talks by John Law and W. M. Brunson. After the speeches were made the crowd went into a general discussion of current events, except that politics were left out.

Uncle Jack was born and reared within one-half mile of where he now lives and has never lived at any other place. He comes from one of the oldest and most reputable families in this part of the state. He has only one brother, Low Hornsby who lives at Samson, Ala., and one sister, Mrs. Jack Simmons, who lives only a short distance away and in the same neighborhood.

His children are as follows: Mrs. W. T. Livings, of Elba; Miss Mamie Hornsby who lives with him; Lem Hornsby, Mrs. J. B. Whitaker, Ada Hornsby, Ed Hornsby, and Gaston Hornsby of the same neighborhood, and Mrs. T. O. Pope, of Nokomis, Florida. Uncle Jack has 26 grandsons and 20 grand-daughters and of this number 21 of the boys bear the name of Hornsby. Uncle Jack was married to Narensa Gibson, of Pike County, in the year 1873. He lost his wife in the year 1925.

This was a most enjoyable reunion and the day was almost perfect. This reunion is an annual affair and the relatives and friends are already looking forward to the same date of next year.

CHILD BITTEN BY MAD DOG IS RECEIVING TREATMENT.

Daisy Jackson, age 8 years, of Troy, Route 5, was the victim of a mad dog last Saturday. The dog's head was sent to Montgomery by the local health authorities and found positive for rabies. The child is receiving treatment.

The local health authorities wish to advise the public not to kill and behead a suspicious dog, unless it is dangerous and uncontrollable, but to confine the dog for observation. Death or positive symptoms of rabies will occur in a few days if the dog is affected. By so doing, sure diagnosis may be made, and many innocent, valuable dogs may escape unnecessary destruction.

A CARD TO THE VOTERS BY P. B. TRAWEEK.

As a candidate for Circuit Judge, it will be impossible for me to see all the voters in the two counties before the Primary. Believing myself to be capable of performing the duties of this office, I am seeking your active support in this election.

The writer is an alumnus of Paoli University, and a graduate of the Alabama Law Department, with more than 20 years experience as a Lawyer. Moving to Elba from Tuscaloosa some four years ago, he became, by act of choice, a citizen of this County, and is bound to her by family ties—her people, and their interests in common.

Standing on the following platform of principles, I invite your active support, as follows:

1. Justice to all alike, special favors to none by the court.

2. Diligence and efficiency in office, with the minimum of expense and inconvenience to the public.

3. Honest and faithful enforcement of all the criminal statutes, without radical, extreme or unusual punishments, and with the Constitutional right of bail respected at all times.

4. Jurors fairly drawn in open court, as the law provides, and not by family ties—her people, and their interests in common.

5. One convicted in a bailable case, and desiring an appeal, should be promptly allowed bond, and not sent to jail to wait.

6. We aspire to be neither a "soft-pedal Judge" nor a self-appointed "prosecutor," but a faithful and unbiased tribunal, seeking to convict only the guilty, and to acquit the innocent.

Very respectfully,
P. B. TRAWEEK.

(Paid political adv. by P. B. Traweck, Elba, Alabama.)
